BOYS DIVISION I

GRAFTON — It was the improbable spoiling the impossible dream Saturday night at the Midview Division I district final.

Lakewood's Cinderella glass slipper shattered under a shower of Brunswick 3-point shots, advancing the Blue Devils to their first-ever sweet sixteen appearance with a 66-45 victory.

Brunswick, itself a big underdog when the brackets were drawn, faces Mansfield at the Toledo regional Wednesday night with a 13-11 mark.

When Mike Mixon popped in the first of 10 Brunswick 3-pointers with 6:50 left in the second period, it started a chain of events that stopped Lakewood's incredible run through the Division I field.

Brunswick trailed 13-2 early in the second period after missing all but one of its first 13 shots from the floor.

But once Mixon hit the first triple, it enabled the Blue Devils to slap on its press, cause eight Lakewood turnovers, and run off

17 straight points. Brunswick never trailed again.

The Rangers (8-16) could have been the first team to advance from the local big-school tournament with a losing record.

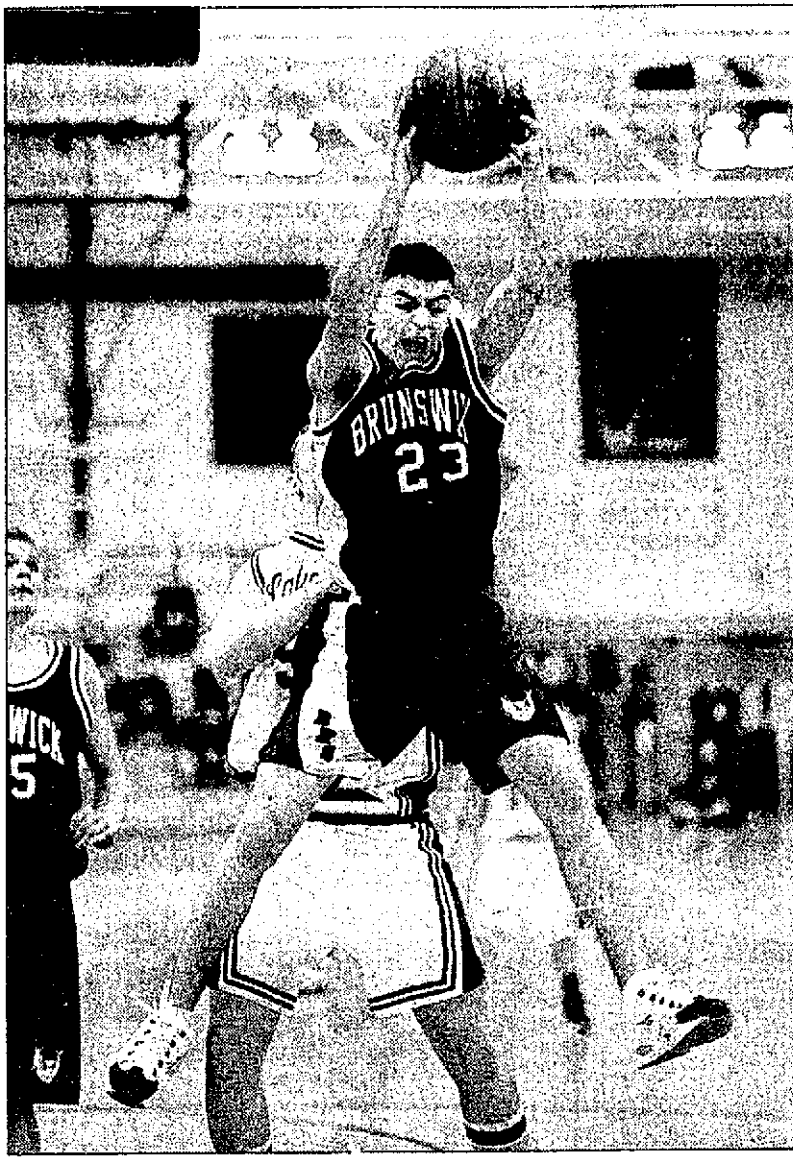

"Our kids never lost their composure," said Brunswick coach Joe Mackey. "We got down early. We knew eventually our shots would fall. We haven't shot it well all tournament long but tonight we picked a good time to catch fire."

Mark Herman paced the Devils with 16 points. Dan Budzar led Lakewood with 18 points.

DETERMINED DEVIL: Brunswick's Mark Herman goes up strong for a rebound against Lakewood during the Blue Devils' 66-45 win in a Division I district championship game Saturday night.

FALLS

From D1

Mike Gansey (four points) took over in overtime as the Bulldogs came from behind with a 5-0 run to lead, 65-62.

River regained the lead, 68-67, on Miller's baseline jumper with 28 seconds left, but Gansey scored from outside the foul line and Larry Mucha calmly buried two foul shots with 6.4 seconds left to clinch it.

Olmsted Falls has lost only to Canton McKinley, 74-64, in the season opener, and at home

to Rocky River, 61-51, on Dec. 8. Falls won the Southwestern Conference rematch at Rocky River, 55-48, on Jan. 30.

"We knew we had to handle their pressure," Pirate coach Jim Rucki said. "I thought we handled it fairly well, but they don't have to get a turnover for their press to be effective. They get you going a little faster than you want and that can get you unsettled."

It was a fast-paced, physical game that was delayed a total of 11 minutes while custodians cleaned blood off the floor (Bulldog Brian Williams's) and the

Falls trainer ministered to Sean Radigan's sprained ankle and helped him off the floor.

Both returned to the action.

Olmsted Falls got into deep foul trouble when Gansey picked up his third and fourth personals within 11 seconds of each other in the third quarter. Radigan also finished the game with four fouls and two other Bulldogs had three.

"(Greg) Koch had a great game for us," said Donahue of the 6-foot-1 junior who came off the bench to score nine points, five in the fourth quarter, and lead everyone in rebounds with 11. "Also Jeremy (Holland) and Jake (Schneider) stepped up and gave us some nice minutes."

Falls' Manzie Williams fin-

ished with a game-high 23 points and Gansey, who sat out a big chunk of the third and fourth quarters, scored 18. Mucha had 10.

Caruso, who had four 3-points, led River with 22 points, Peate and Mike Woodward scored 14 and Miller 13. Olmsted Falls won the boards, 36-26.

Elyria YMCA wins regional swim title

Elyria's YMCA team won the Northeast Ohio YMCA swimming championship at the Barnum Natatorium in Canton Saturday, the first area championship for the local swimmers since 1991.

The team is coached by Colleen Everhart.

First-place finishers all earned spots in the Zone Meet in Indianapolis on March 19-21.

Elyria tuned up for the Canton triumph by winning the Northwest Division championship Feb. 21 at Oberlin College. Elyria scored 3002 points, followed by Ridgewood, Cuyahoga Falls, Copley, Lorain and Hillcrest.

Setting a team record at Canton was the girls 11-12 medley relay team of M. Snyder, J. Phiel, J. Donato and H. Becker.
