

Clearview survives Open Door's final shot

Tim Gebhardt
The Chronicle-Telegram

LORAIN — It came down to one shot Tuesday night at Clearview.

Open Door Christian gave the Clippers all they wanted, but couldn't hit the last second shot giving Clearview a one-point non-conference victory, 62-61.

Clearview seemingly had a safe lead, 38-25, midway through the third period. The Clippers were dominating the offensive board and even though the shooting touch wasn't there, it seemed improbable that Open Door could rally.

Nonetheless, Mike Matthews and teammate Kevin Delestathis led a Patriot uprising, each taking

turns from the three-point line as Open Door came from 13 points down to take the lead, 54-53, with 3:18 still left to be played.

Clearview surged back in front by six, 60-54, on a key offensive put-back by Tim Dower off a missed free throw and Matt Pedraza's driving layup to finish a seven-point run.

However, Open Door bounced right back, a pair of free throws by Jeremy Walls and single tosses by Matthews and Delestathis whittling the lead back to two, 60-58, with 43 left.

Andres Alarcon's two free throws pushed the Clipper lead to a safe four-point margin, but Matthews earned his final three and had the chance to toss in the game winner after a missed free throw

set up Open Door's final possession with 25 to play. However, his running one-hander from foul line fell off the rim as time expired.

"I thought we did everything right at the end," said Open Door coach Darrell Duncel. "That's exactly what we wanted to do. Mike (Matthews) had made some nice shots for us and ran the show. I wanted to give him the last shot. We'll live or die with it."

Open Door warmed up as the game progressed. After hitting only three of 13 the first period and eight of 24 the first half, the Patriots fired in 13 of their 25 second half shots, including all six 3-pointers. Meanwhile, Clearview was 27 of 67 on the night but had 42 rebounds (18 offensive) to Open

Door's 30. Both sides had 17 turnovers.

"We struggle so much offensively," said Clearview coach John Szalay. "No matter what offense we run, a lot of those shots are stick-backs. They're good looks at the basket. We work on it all the time."

"But, I've been in it long enough to know that a win is a win. The kids found a way to kind of hang in there. We were due to win a close one."

"They were a little nervous coming in," said Duncel of his team's shaky start. "Clearview gets the ball inside real nice. They're physical. Our game is bringing the ball up and down the court as fast as we can and letting

our guards have some play on it. The second half we did that pretty well."

Matthews finished with 23 points to lead all scorers Delestathis added 13.

For Clearview, Szalay had great balance and surprising contributions from Andres Alarcon and Eric Gilbert. Alarcon had 15 and Gilbert, a smooth looking sophomore, added 12. Steady Matt Pedraza had 14 points and Robert Russell had 12, but did not score in the second half, foul trouble taking him out of his strong inside game.

Open Door is now 6-9 on the year, but have won only once in its last 10 games since 6-foot-3

junior center Tim Turnick broke his hand at the end of December. The Patriots are at Lutheran East Friday. Clearview is now 5-9 overall and will host Lorain County Conference rivals Firelands and Wellington Friday and Saturday.

Nicknamed the "Human Eraser," and "Terrible Tom," the 6-foot-1, 206-pound senior was also a bruising blocker at fullback for the regional finalist Shoremen, who finished 11-1. He helped the ground attack gain 2,396 yards in 12 games. Carder rushed for 135 yards and a pair of touchdowns.

Strongsville teen shoots for million

Mike Hoban, 16, a junior varsity basketball player at Strongsville High School, has won a chance to shoot a three-point shot that could be worth \$1 million during NBA All-Star week in Phoenix on Saturday, Feb. 11.

He will take the shot at halftime of the Schick Rookie game. It will be televised by TNT.

The 6-foot-2 Hoban was picked from 6,254,427 ballots cast at all Foot Locker stores in North America. Foot Lock is the contest sponsor.

"I was home sick with the flu when I found out I won," said Hoban, a sophomore whose family operates Z Bart Tidy Car in Elyria. "At first I didn't think it was real. It was like a dream. This kind of stuff happens to somebody else. I couldn't believe this was happening to me. This is a thrill of a lifetime."

Hoban will get some expert advice from Phoenix all-star Dan Majerle, who owns the NBA record for three-point shots made in a season, 192.

PANTHER SWARM—Elyria Catholic's Reopen Patel (42) and Rob Peters surround Cleveland Central Catholic's Ellis Walker (44) and Leroy Booth while going for a rebound.

EC

From B1

thers with 17 points, put his team up 24-21 in the second quarter by scoring all the points in a 7-0 run. But after Kurent called a timeout, the Ironmen went on a 12-2 run of their own to take a 33-26 lead.

The Panthers should have been within four at the half, but Rob Peters committed a foul on a rebound with a second to go and CCC's Lance Henderson made both free throws to give his team a 37-31 lead.

"We can't afford to do those kinds of things," Kearns said. "We had a lot of opportunities in the fourth quarter and we didn't take advantage of them. The problem was we couldn't convert enough. We'd miss shots and then get to the line and we couldn't hit the free throws."

CCC's Eugene White had even more problems with an even easier shot, missing both dunk attempts he tried. Of course, he is only 5-foot-9. Besides he had plenty of help offensively. Leroy Booth hit 8 of 10 shots from the field and scored 17 points, while Henderson, CCC's 6-3 center, added 15

points and 11 rebounds, six at the offensive end. Ellis Walker added 11 points for the Ironmen.

Niederst added 13 points and Peters 12 for the Panthers, who host Trinity Friday. Hatch also had seven rebounds.

All of which left Kearns not knowing how to feel.

"You're proud of your kids, but we're all sick and tired of losing," he said. "But it's hard to get down on your kids when they give an effort like that."

SPORTS BRIEFS

EC hockey team put on hold

ELYRIA — Elyria Catholic is proceeding with its plan to field an interscholastic ice hockey. The only change is timetable. What was supposed to happen this winter will start next year, said athletic director Mark McGuire.

The Panthers will apply for membership in the Blue

Division (westside) of the Greater Cleveland High School League on Wednesday. If denied membership, EC would play an independent schedule. Home games will be played at North Park Rink in Elyria and, perhaps, at Oberlin College.

EC is having a hockey organizational meeting on Sunday, Feb. 19 at 6 p.m. at the school Coliseum.
