Sailors win title

Robb Stolberg
The Chronicle-Telegram

SANDUSKY — It was clear from the start that Friday's Division II Sectional final between Vermilion and Port Clinton wouldn't be as fast-paced as the preceding game at Sandusky High, in which Bellevue beat Oak Harbor 85-62.

But the Sailors controlled the tempo — as they have all season — for a 47-37 win.

Vermilion played a very patient ballgame. The Sailors set up their offense with crisp passes and waited for Port Clinton's zone to open up for a clear shot.

Vermilion led by five after the first period and pulled out to a 25-15 lead with 13 seconds left in the first half. Chris Parmenter contributed two points off of a steal as his dunk in the second period enlivened the Sailors' fans.

By halftime, the damage was done. The Redskins never got closer than six and made Vermilion spend most of the fourth quarter shooting free throws.

The Sailors' defense was superb, limiting the Redskins to just over a point per minute.

"We wanted to disrupt their offense as much as we could," said Vermilion coach Bob Walsh. "Our objective was to get them to take shots they weren't comfortable with."

The Redskins' comfort level must have hit an all-time low, as they made just 13 shots from the floor.

"We have to play good defense," said Walsh. "If we don't play good defense we're in trouble."

But the Sailors clearly had no trouble shutting down Port Clinton's offense. The Redskins' 37 points were the fewest they allowed since their first game of the season — when they limited Firelands to 28.

"We couldn't score, couldn't shoot and had trouble handling the ball," said Port Clinton coach Tom Bodager.

Not only did Vermilion stop Port Clinton's shooters, they kept them from getting the ball up court. The Sailors mixed a half-court press into their defensive scheme, which led to a couple steals and three charges against the Redskins.

Vermilion forced 22 turnovers on the night and capitalized after gaining possession.

Ed Cyrek was Vermilion's leading scorer with 12. Alan Doane and Parmenter each contributed 11.

Vermilion, which is now 15-7, advances to the Ashland district tournament for the first time since 1991. They will play at Ashland University Wednesday.

Magnificat wins gymnastics crown

STATE GYMNASTICS

DUBLIN — Freshman Julie Devaty scored a 9.175 on a vault to give Magnificat a dramatic victory in the team division of the state gymnastics championship Friday.

It was Magnificat's fifth team championship.

Devaty's vault, which was Magnificat's last event of the meet, gave the Blue Streaks a final team score of 143.725, just enough to edge defending state champion Upper Arlington, which had already finished the team competition with 143.4.

Individual championships will be contested today.

Devaty, who is from North Olmsted, and Sarah Grealis of Westlake, were among the top performers for Magnificat.

"Sarah took the lead for the team as a captain, and as soon as she got it put together, Julie took over," said Magnificat coach Joe Gura.

"We have more of a team this year. They'll appreciate this victory more than any team in the past."

Medina finished fifth with 136.2 points.

EC's Spillar to attend Walsh

Roger Negin
The Chronicle-Telegram

Elyria Catholic standout Ben Spillar is the second area football player to commit to Walsh College.

Spillar

Spillar has accepted a scholarship package to attend the NCAA Division II school in Canton. Earlier this week Elyria High center Conor Ryan also signed with Walsh.

"I'm excited about it," said Spillar, a 6-foot-1, 205-pound halfback. "The whole attitude about the college is what I like. They want to win."

Walsh, coached by former Elyria High assistant coach Jim Dennison, was 7-3 last year in its inaugural football season.

"They said they were looking at me as a fullback, but they also wanted me to run tailback," said Spillar, who is from North Ridgeville.

Despite a troublesome shoulder, Spillar ran for 1,171 yards and scored 14 touchdowns for the Panthers, leading them to a 6-4 season.

Spillar was first team all-county, first team All-North Coast League and was the team's Offensive Player of the Year.

"He was a tremendous leader for us," said his high school coach Dave McFarland. "He propelled us to a great year. He's an intense football player.

"His shoulder kept popping in and out. Against Padua he had a 12-yard run for a first down and his shoulder popped out. It popped back in and two or three players later he was running for another first down. He's a tough kid."

Spillar was a three-year starter at EC.

"The two games I really remember are my junior year when we beat Erie Central and this year when we upset Notre Dame (Cathedral Latin) when they were 12th in the state."

Spillar wants to become a high school social studies teacher.
